INFORMATION FOR BORROWERS.

BORROWERS. Residents of San Francisco, ten years of age and over, and non-resident taxpayers may become borrowers. Holders of Library cards may use the same at any of the branches or stations.

EXPIRATION OF CARDS. Cards expire two years from the date of issue. New applications should then be filed.

RENEWAL OF BOOKS. Books are issued for a period of two weeks. Excepting new books and others for which there is a considerable demand, they may be renewed for an additional period of two weeks. Application for renewal should state the name and address of borrower, class number of book and the date on which it will be due. It may be made in person, by mail or telephone, but not earlier than five days prior to the date on which the book will be due.

CATALOGUES. Books are catalogued under the names of their authors, under the subjects of which they treat, and also under the titles if they be distinctive. Names of authors, subjects and titles are arranged in one alphabetic series. A card catalogue of this character is maintained in each branch library of the books in that branch.

ORDERS FROM BRANCHES AND STATIONS. Daily messenger service is maintained to the branches, and semi-weekly deliveries are made to the stations. Books in the Main Library will be sent on request to any branch or station.

POSTAL CARDS. To avoid frequent and fruitless calls for books in great demand, cardholders may purchase printed postal cards from the Secretary or the branch librarians, state thereon the numbers of the books wanted and present them at the desk properly addressed. The cards will be filed, and mailed to the applicants as the books become available.

INFORMATION FOR BORROWERS.

BORROWERS. Residents of San Francisco, ten years of age and over, and non-resident taxpayers may become borrowers. Holders of Library cards may use the same at any of the branches or stations.

EXPIRATION OF CARDS. Cards expire two years from the date of issue. New applications should then be filed.

RENEWAL OF BOOKS. Books are issued for a period of two weeks. Excepting new books and others for which there is a considerable demand, they may be renewed for an additional period of two weeks. Application for renewal should state the name and address of borrower, class number of book and the date on which it will be due. It may be made in person, by mail or telephone, but not earlier than five days prior to the date on which the book will be due.

CATALOGUES. Books are catalogued under the names of their authors, under the subjects of which they treat, and also under the titles if they be distinctive. Names of authors, subjects and titles are arranged in one alphabetic series. A card catalogue of this character is maintained in each branch library of the books in that branch.

ORDERS FROM BRANCHES AND STATIONS. Daily messenger service is maintained to the branches, and semi-weekly deliveries are made to the stations. Books in the Main Library will be sent on request to any branch or station.

POSTAL CARDS. To avoid frequent and fruitless calls for books in great demand, cardholders may purchase printed postal cards from the Secretary or the branch librarians, state thereon the numbers of the books wanted and present them at the desk properly addressed. The cards will be filed, and mailed to the applicants as the books become available.

INFORMATION FOR BORROWERS.

Borrowers. Residents of San Francisco, ten years of age and over, and non-resident taxpayers may become borrowers. Holders of Library cards may use the same at any of the branches or stations.

Expiration of Cards. Cards expire two years from the date of issue. New applications should then be filed.

Renewal of Books. Books are issued for a period of two weeks. Excepting new books and others for which there is a considerable demand, they may be renewed for an additional period of two weeks. Application for renewal should state the name and address of borrower, class number of book and the date on which it will be due. It may be made in person, by mail or telephone, but not earlier than five days prior to the date on which the book will be due.

Catalogues. Books are catalogued under the names of their authors, under the subjects of which they treat, and also under the titles if they be distinctive. Names of authors, subjects and titles are arranged in one alphabetic series. A card catalogue of this character is maintained in each branch library of the books in that branch.

Orders from Branches and Stations. Daily messenger service is maintained to the branches, and semi-weekly deliveries are made to the stations. Books in the Main Library will be sent on request to any branch or station.

Postal Cards. To avoid frequent and fruitless calls for books in great demand, cardholders may purchase printed postal cards from the Secretary or the branch librarians, state thereon the numbers of the books wanted and present them at the desk properly addressed. The cards will be filed, and mailed to the applicants as the books become available.

INFORMATION FOR BORROWERS.

Borrowers. Residents of San Francisco, ten years of age and over, and non-resident taxpayers may become borrowers. Holders of Library cards may use the same at any of the branches or stations.

Expiration of Cards. Cards expire two years from the date of issue. New applications should then be filed.

Renewal of Books. Books are issued for a period of two weeks. Excepting new books and others for which there is a considerable demand, they may be renewed for an additional period of two weeks. Application for renewal should state the name and address of borrower, class number of book and the date on which it will be due. It may be made in person, by mail or telephone, but not earlier than five days prior to the date on which the book will be due.

Catalogues. Books are catalogued under the names of their authors, under the subjects of which they treat, and also under the titles if they be distinctive. Names of authors, subjects and titles are arranged in one alphabetic series. A card catalogue of this character is maintained in each branch library of the books in that branch.

Orders from Branches and Stations. Daily messenger service is maintained to the branches, and semi-weekly deliveries are made to the stations. Books in the Main Library will be sent on request to any branch or station.

Postal Cards. To avoid frequent and fruitless calls for books in great demand, cardholders may purchase printed postal cards from the Secretary or the branch librarians, state thereon the numbers of the books wanted and present them at the desk properly addressed. The cards will be filed, and mailed to the applicants as the books become available.

INFORMATION FOR BORROWERS.

BORROWERS. Residents of San Francisco, ten years of age and over, and non-resident taxpayers may become borrowers. Holders of Library cards may use the same at any of the branches or stations.

EXPIRATION OF CARDS. Cards expire two years from the date of issue. New applications should then be filed.

RENEWAL OF BOOKS. Books are issued for a period of two weeks. Excepting new books and others for which there is a considerable demand, they may be renewed for an additional period of two weeks. Application for renewal should state the name and address of borrower, class number of book and the date on which it will be due. It may be made in person, by mail or telephone, but not earlier than five days prior to the date on which the book will be due.

CATALOGUES. Books are catalogued under the names of their authors, under the subjects of which they treat, and also under the titles if they be distinctive. Names of authors, subjects and titles are arranged in one alphabetic series. A card catalogue of this character is maintained in each branch library of the books in that branch.

ORDERS FROM BRANCHES AND STATIONS. Daily messenger service is maintained to the branches, and semi-weekly deliveries are made to the stations. Books in the Main Library will be sent on request to any branch or station.

POSTAL CARDS. To avoid frequent and fruitless calls for books in great demand, cardholders may purchase printed postal cards from the Secretary or the branch librarians, state thereon the numbers of the books wanted and present them at the desk properly addressed. The cards will be filed, and mailed to the applicants as the books become available.

INFORMATION FOR BORROWERS.

BORROWERS. Residents of San Francisco, ten years of age and over, and non-resident taxpayers may become borrowers. Holders of Library cards may use the same at any of the branches or stations.

EXPIRATION OF CARDS. Cards expire two years from the date of issue. New applications should then be filed.

RENEWAL OF BOOKS. Books are issued for a period of two weeks. Excepting new books and others for which there is a considerable demand, they may be renewed for an additional period of two weeks. Application for renewal should state the name and address of borrower, class number of book and the date on which it will be due. It may be made in person, by mail or telephone, but not earlier than five days prior to the date on which the book will be due.

CATALOGUES. Books are catalogued under the names of their authors, under the subjects of which they treat, and also under the titles if they be distinctive. Names of authors, subjects and titles are arranged in one alphabetic series. A card catalogue of this character is maintained in each branch library of the books in that branch.

ORDERS FROM BRANCHES AND STATIONS. Daily messenger service is maintained to the branches, and semi-weekly deliveries are made to the stations. Books in the Main Library will be sent on request to any branch or station.

POSTAL CARDS. To avoid frequent and fruitless calls for books in great demand, cardholders may purchase printed postal cards from the Secretary or the branch librarians, state thereon the numbers of the books wanted and present them at the desk properly addressed. The cards will be filed, and mailed to the applicants as the books become available.

INFORMATION FOR BORROWERS.

BORROWERS. Residents of San Francisco, ten years of age and over, and non-resident taxpayers may become borrowers. Holders of Library cards may use the same at any of the branches or stations.

EXPIRATION OF CARDS. Cards expire two years from the date of issue. New applications should then be filed.

RENEWAL OF BOOKS. Books are issued for a period of two weeks. Excepting new books and others for which there is a considerable demand, they may be renewed for an additional period of two weeks. Application for renewal should state the name and address of borrower, class number of book and the date on which it will be due. It may be made in person, by mail or telephone, but not earlier than five days prior to the date on which the book will be due.

CATALOGUES. Books are catalogued under the names of their authors, under the subjects of which they treat, and also under the titles if they be distinctive. Names of authors, subjects and titles are arranged in one alphabetic series. A card catalogue of this character is maintained in each branch library of the books in that branch.

ORDERS FROM BRANCHES AND STATIONS. Daily messenger service is maintained to the branches, and semi-weekly deliveries are made to the stations. Books in the Main Library will be sent on request to any branch or station.

POSTAL CARDS. To avoid frequent and fruitless calls for books in great demand, cardholders may purchase printed postal cards from the Secretary or the branch librarians, state thereon the numbers of the books wanted and present them at the desk properly addressed. The cards will be filed, and mailed to the applicants as the books become available.

INFORMATION FOR BORROWERS.

BORROWERS. Residents of San Francisco, ten years of age and over, and non-resident taxpayers may become borrowers. Holders of Library cards may use the same at any of the branches or stations.

EXPIRATION OF CARDS. Cards expire two years from the date of issue. New applications should then be filed.

RENEWAL OF BOOKS. Books are issued for a period of two weeks. Excepting new books and others for which there is a considerable demand, they may be renewed for an additional period of two weeks. Application for renewal should state the name and address of borrower, class number of book and the date on which it will be due. It may be made in person, by mail or telephone, but not earlier than five days prior to the date on which the book will be due.

CATALOGUES. Books are catalogued under the names of their authors, under the subjects of which they treat, and also under the titles if they be distinctive. Names of authors, subjects and titles are arranged in one alphabetic series. A card catalogue of this character is maintained in each branch library of the books in that branch.

ORDERS FROM BRANCHES AND STATIONS. Daily messenger service is maintained to the branches, and semi-weekly deliveries are made to the stations. Books in the Main Library will be sent on request to any branch or station.

POSTAL CARDS. To avoid frequent and fruitless calls for books in great demand, cardholders may purchase printed postal cards from the Secretary or the branch librarians, state thereon the numbers of the books wanted and present them at the desk properly addressed. The cards will be filed, and mailed to the applicants as the books become available.

INFORMATION FOR BORROWERS.

BORROWERS. Residents of San Francisco, ten years of age and over, and non-resident taxpayers may become borrowers. Holders of Library cards may use the same at any of the branches or stations.

EXPIRATION OF CARDS. Cards expire two years from the date of issue. New applications should then be filed.

RENEWAL OF BOOKS. Books are issued for a period of two weeks. Excepting new books and others for which there is a considerable demand, they may be renewed for an additional period of two weeks. Application for renewal should state the name and address of borrower, class number of book and the date on which it will be due. It may be made in person, by mail or telephone, but not earlier than five days prior to the date on which the book will be due.

CATALOGUES. Books are catalogued under the names of their authors, under the subjects of which they treat, and also under the titles if they be distinctive. Names of authors, subjects and titles are arranged in one alphabetic series. A card catalogue of this character is maintained in each branch library of the books in that branch.

ORDERS FROM BRANCHES AND STATIONS. Daily messenger service is maintained to the branches, and semi-weekly deliveries are made to the stations. Books in the Main Library will be sent on request to any branch or station.

POSTAL CARDS. To avoid frequent and fruitless calls for books in great demand, cardholders may purchase printed postal cards from the Secretary or the branch librarians, state thereon the numbers of the books wanted and present them at the desk properly addressed. The cards will be filed, and mailed to the applicants as the books become available.

INFORMATION FOR BORROWERS.

Borrowers. Residents of San Francisco, ten years of age and over, and non-resident taxpayers may become borrowers. Holders of Library cards may use the same at any of the branches or stations.

Expiration of Cards. Cards expire two years from the date of issue. New applications should then be filed.

Renewal of Books. Books are issued for a period of two weeks. Excepting new books and others for which there is a considerable demand, they may be renewed for an additional period of two weeks. Application for renewal should state the name and address of borrower, class number of book and the date on which it will be due. It may be made in person, by mail or telephone, but not earlier than five days prior to the date on which the book will be due.

Catalogues. Books are catalogued under the names of their authors, under the subjects of which they treat, and also under the titles if they be distinctive. Names of authors, subjects and titles are arranged in one alphabetic series. A card catalogue of this character is maintained in each branch library of the books in that branch.

Orders from Branches and Stations. Daily messenger service is maintained to the branches, and semi-weekly deliveries are made to the stations. Books in the Main Library will be sent on request to any branch or station.

Postal Cards. To avoid frequent and fruitless calls for books in great demand, cardholders may purchase printed postal cards from the Secretary or the branch librarians, state thereon the numbers of the books wanted and present them at the desk properly addressed. The cards will be filed, and mailed to the applicants as the books become available.

INFORMATION FOR BORROWERS.

BORROWERS. Residents of San Francisco, ten years of age and over, and non-resident taxpayers may become borrowers. Holders of Library cards may use the same at any of the branches or stations.

EXPIRATION OF CARDS. Cards expire two years from the date of issue. New applications should then be filed.

RENEWAL OF BOOKS. Books are issued for a period of two weeks. Excepting new books and others for which there is a considerable demand, they may be renewed for an additional period of two weeks. Application for renewal should state the name and address of borrower, class number of book and the date on which it will be due. It may be made in person, by mail or telephone, but not earlier than five days prior to the date on which the book will be due.

CATALOGUES. Books are catalogued under the names of their authors, under the subjects of which they treat, and also under the titles if they be distinctive. Names of authors, subjects and titles are arranged in one alphabetic series. A card catalogue of this character is maintained in each branch library of the books in that branch.

ORDERS FROM BRANCHES AND STATIONS. Daily messenger service is maintained to the branches, and semi-weekly deliveries are made to the stations. Books in the Main Library will be sent on request to any branch or station.

POSTAL CARDS. To avoid frequent and fruitless calls for books in great demand, cardholders may purchase printed postal cards from the Secretary or the branch librarians, state thereon the numbers of the books wanted and present them at the desk properly addressed. The cards will be filed, and mailed to the applicants as the books become available.

EXPIRATION OF CARDS. Cards expire two years from the date of issue. New applications should then be filed.

RENEWAL OF BOOKS. Books are issued for a period of two weeks. Excepting new books and others for which there is a considerable demand, they may be renewed for an additional period of two weeks. Application for renewal should state the name and address of borrower, class number of book and the date on which it will be due. It may be made in person, by mail or telephone, but not earlier than five days prior to the date on which the book will be due.

CATALOGUES. Books are catalogued under the names of their authors, under the subjects of which they treat, and also under the titles if they be distinctive. Names of authors, subjects and titles are arranged in one alphabetic series. A card catalogue of this character is maintained in each branch library of the books in that branch.
